

Keepers Form

For the spring season, 10U-16U managers will be able to submit up to three keepers for their team's roster. One keeper must be the manager's daughter and the other two do not have to be an assistant coach's daughter. We strongly recommend that one of the three keepers be a pitcher or a catcher. The following information must be filled out and turned into DGSA before Tryouts. Players retained can be either a new registrant (for new coaches) but should be returning players. All keepers must be eligible to play in the applicable division. 8U coaches may have an entire team return.

I (please print full name) _____ acknowledge that I have contacted the above players' parents and received each parent's approval of their child being a keeper on my team for this season. I **understand that a DGSA official will be verifying** the information and I'm aware that falsifying information or attempting to retain a player without their parent's consent, could result in a possible revocation of **managing/coaching privileges with DGSA.**
